❖ ARC Report ❖

The ARC members are now painting and preparing the backdrops for their annual talent show which is being held at the Margate Jewish Community Center on April 13th at 2pm. They are also making masks which they will be selling at the show. The theme is New York, New York. The public is invited and should be fun.

Their next project will be the flower show and they will be starting their flower painting next week.

Jim Penland, Sue Rau and Nancy Cochrane are the artists directing the participants.

Deborah Davies, PhD and CEO of the ARC of Atlantic City made a contact with a German group similar to ARC from Esingen Germany. This group has international shows and have been looking for an American group to participate. Letters and photos are being exchanged and things look very promising for ARC to participate in an international art show.
